HJS demands Action and Ban on Pornographic star Sunny Leone and her obscene website

Panaji, 15th May - Sunny Leone alias Karanjit Kaur Vohra is a Canadian citizen who has been working in Indian Movies for quite a while. She has been an active porn star and runs a pornographic website (sunnyleone.com) consisting of her own nude photos and videos. This information was given today by Dr. Manoj Solanki, State Convenor of HJS at a press conference held at Panaji. Adv. Nagesh Takbate of Hindu Vidhinya Parishad and Mrs. Shubha Samant of Ranaragini sect were present during the press conference.

The website is free for all. Although it mentions about the age restriction, the notification is just a farce and any person can watch the contents regardless of age. This shows the criminal intention of Sunny Leone. This also a commercial website from which she promotes herself and earns money. As per news reports the most searched person on Google for the year is Sunny Leone ahead of our Prime Minister Narendra Modi. Almost 70 % of visitors on her website are from India. This is a very alarming sign for our country and suggests that our major internet using youth population is being addicted to such a vice. Rapes are on the rise in our country and in a number of instances rapes have occurred on account of watching such websites. The youth of our country who are the future of this country are getting ruined by her immoral acts. What sort of examples are we giving to our newer generation? In our country where woman is considered as Goddess and worshiped as energy of God is this not insult of women? On one hand we say we care for women and we tolerate such use of women for such carnal pleasures? Goa Parshuram bhumi, a land of temples known for its rich culture is becoming infamous as land of wine, women and drugs. Do we want morality of our Goan youths to be destroyed by elements like Sunny Leone? Is it not the responsibility of every citizen to provide a favourable environment to see that our younger generation becomes moral and virtuous? Then do persons like Sunny Leone have any place in a civilised society? Is it not the duty of our every individual to oppose her? In the national interest the Hindu Janajagruti Samiti strongly demands the following

1. Ban Pornographic star Sunny Leone's obscene website www.sunnyleone.com,
2. Lodge FIR in complaints lodged against Sunny Leone about her obscene website www.sunnyleone.com,
3. Ban her entry in India.

Yours faithfully,

Dr. Manoj Solanki,

State Convenor, Hindu Janajagruti Samiti
